# Quadruple Charge Station

## with 4 Rechargeable Batteries for Wii Remote™

*Wi-4DCP*

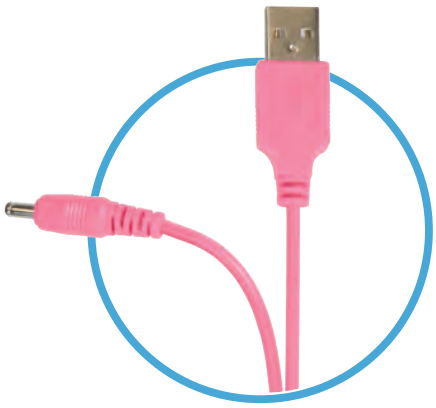
for Wii™

*Includes 4 rechargeable battery packs*

Wii™ Motion Plus Compatible

Recharge four Wii Remotes simultaneously with the Quadruple Charger Station from CTA Digital. This charge station contains a four-space cradle that allows you to charge and rest four remotes in an upright position. Also included are four rechargeable 1800mAh batteries, which are enclosed in a mold that you can attach to the back of your Wii Remote.

The Quadruple Charger Station is powered by a USB cable that attaches from the AC adaptor connection (located on the back of the device) to a USB port on the Wii Console or on a computer.



*USB power cable included*

**Features:**
- Charges two or four Wii Remotes
- LED charge indicator light

**Pack includes:**
- Four 1800mAh Rechargeable Batteries
- One base station to recharge two or four Wii Remotes
- 30 inches USB cable device

**Specification:**
- Capacity: 1800 mAh
- Game play after charge: approximately 13-20 hours
- Charging time: 7 hours

*Wii Remotes and Wii Motion Plus not included*
